

# USPS PACKAGE SERVICES vs. FEDEX AND UPS

## Do you want to reduce your mailing & shipping costs?

No matter how far or how fast you want to send packages, the chances are that you'll pay less if you choose the United States Postal Service, rather than UPS or FedEx. Just check out the rate comparisons below. For most weights and zones, our services are lower in cost than those of the competition. And that holds true for the overnight deliveries, other expedited services or ground shipments. If your priority is lower cost, your choice should be the USPS.
